To Whom It May Concern:

It is my pleasure to write this recommendation for Danika Bryant. Danika has been a student athlete at Superior Junior/Senior High School for the past 5 years. From the beginning, Danika had several special qualities that jumped out.

Danika's natural athleticism was obvious, but her work ethic, instincts, and ability to juggle both the rigors of academics with the time needed to master her sport is what is most impressive to me. These skills and Danika's personality, allow her to be a natural leader. It is very unusual to be able to have an intense desire to win and succeed on the field, and have the ability to put the game behind you when the game is over, and move onto tackle the next task.

I have been consistently impressed and amazed how Danika is able to juggle so much and excel at everything she takes part in. Whether it is softball or social, Danika throws herself into these activities and gives 100%, and strives to succeed, and because of her work ethic and natural gifts, she usually does.

Danika has a bright future ahead of her and I am glad I have had the opportunity to watch her succeed in everything she takes part in.

Sincerely,

William Duarte

Principal/Athletic Director
