

Superior Jr/Sr High School
100 Panther Drive
Superior, AZ 85173

February 3, 2021

To Whom It May Concern:

This is a letter of recommendation for Danika Bryant. It has been my pleasure to have served as Danika's former English teacher and current Student Advisor and FBLA Advisor at Superior JrSr High School. Danika is a bright, hardworking, and dependable student.

While in my classroom, Danika displayed the ability to work cooperatively and independently. She would take the lead in small groups and help fellow students if needed, but she could also transition to doing her work on her own with just as much gusto. She was always responsible and turned in her work on time. Danika expresses herself well verbally and in writing, which will help her as she starts to think about her postsecondary plans.

As student advisor, I have watched Danika transition into high school and flourish. Her grades are excellent, her teachers know she is dependable, she takes direction well, and gets along with everyone. She is a self-starter who is willing to go the extra mile. As FBLA advisor, I have seen Danika step up in our organization and is currently the club president. She leads our small group of students through fundraising events and helps the underclassmen find their place in high school.

Since I have known Danika, she has played sports. She is the definition of a student athlete. She has a 3.88 GPA and wonderful attendance in our school. She makes it to all practices and games, but also keeps up with her academic responsibilities. Most recently, she signed up to take a college course at Central Arizona College on top of her normal class load for the semester. Danika works very hard to manage time between extracurricular activities and academic work. This will serve her well in her life after high school.

I cannot wait to see what Danika does in the next year and half of high school to set herself up for a successful college career. She is determined in all her endeavors and has the support of her family, teachers, and coaches. She is hardworking and determined to fulfill her goals in life. Please feel free to contact me for more information.

Sincerely,

Ms. Cameron Vines
Student Advisor
